A short session of the grange was held Wednesday evening of last week, after which all the time was given to a wedding reception and banquet to Mr. and Mrs. Harry Townsend, who were married September 16. Both are worthy members of the local grange. The hall was handsomely decorated with flowers, autumn leaves and crepe paper by brides of 1910, Mrs. Lynn Clark and Mrs. Clarence Robbins, and the couple were assisted in receiving by the father and mother of the bride, Mr. and Mrs. Arthur Coburn, and Mr. and Mrs. Herbert Kelton, uncle and aunt of the bride, who was very prettily gowned, as most brides are. A fine oak rocker with upholstered seat was presented with one of his best speeches by L. W. Sibley, master of the grange, and Mr. Townsend responded with heartfelt thanks from himself and wife. One hundred or more were present, and East Montpelier's 19th grange wedding reception ended with one of their celebrated good suppers, of oysters, rolls, cheese, peach sauce, cake and coffee, and a variety of fruit.

## DISFIGURING ECZEMA CURED IN 2 WEEKS

Blisters Broke and Formed Scabs. Nose Covered with Them. Very Itchy. Used Cuticura Remedies. Now Hasn't a Single Mark.

"My nephew first showed signs of eczema on the middle finger, and it came out like a blister. His mother thought he had gotten a burn in some way unknown to her, and she treated it as such. He must have rubbed his face with that hand, as it then broke out on his nose the same way. When the blisters broke, they shriveled up and formed scabs. His nose was covered with scabs, and it was very itchy. He was badly disfigured with unsightly scabs. At first, his nose was sore, and it gradually became worse so his mother took him to the doctor. He gave her some preparation, and told her to rub the scabs off every day, and anoint the affected part with the medicine he gave her.

"The man must have been insane, as that was extreme torture to the child who was only two years old at the time, and that was two years ago. Well, we decided that that treatment would have to end. I suggested Cuticura Ointment and they bought it and put it on freely every day for two weeks. He had the eczema for four weeks altogether, but was getting gradually worse until they used the Cuticura Remedies, and he was cured in two weeks. He most certainly would have been scarred with the other treatment, but now he hasn't a single mark. Cuticura Remedies cured him in two weeks, and now we always keep them in the house." (Signed) Miss Ida Slavin, 283 South First St., Philadelphia, Pa., Jan. 4, 1911.

For more than a generation the Cuticura Remedies have afforded the most economical treatment for affections of the skin and scalp of infants, children and adults. A cake of Cuticura Soap (25¢) and a box of Cuticura Ointment (50¢) are often sufficient. Although sold throughout the world, a liberal sample of each, with 32-p. book on the skin, will be sent free, on application to Potter Drug & Chem. Corp., Dept. 13A, Boston.

## Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most priceless possession—your health—may be your life itself. See that you get what you ask for.

## DICTIONARY FACTS

Since The Times started its distribution of Webster's New Standard Dictionary, over 1200 copies have been disposed of, and the fact that many of the first purchasers are now bringing in coupons for additional copies is sufficient evidence of merit.

A leading banker came in the other day and got a second copy, remarking that it was a fine book, and that while he had one of the large dictionaries he found that the small one answered all purposes, and its convenience, large size type and flexibility were some of the features that made it the most practical book he has seen. He has one for his home and one for his desk in the bank.

We have had hundreds of people compliment this handy and complete book, and from the fact that every purchaser is enthusiastically recommending it to friends, we expect to have a Times Dictionary in every home in Barre and surrounding towns before the distribution is over.
